Notes

- Multipurpose Turf Field Project Update
 - Due to potential environmental issues, the location of this project has been moved to the back fields at the complex running parallel with the parkway.

- Transportation Update
 - Verde Woods Development
Mr. Green updated the Committee on the letter from the Township Attorney and inquiry from the attorney for the Verde Woods developer regarding the issue of the prior request that the Board commit to placing a bus stop at the entrance to the development. Mr. Green will be following up on the matter with both attorneys.

- Food Services Update
 - Lauren Barry, Dir Dining Services-Chartwells, provided an update to the committee regarding food quality process/procedures and parent communications. Suggestions were made by the committee to use social media platforms to communicate with parents as that is the source of much of the communications in this area.
 - RFP – The district will be performing an RFP for food services for the 22/23 school year.

- Donations
 - Two monetary donations from the HFEE and Village School PSA for new science labs at Village School. A non-monetary donation from the HYAA for a volleyball system at Holmdel High School. The applicable resolutions will be included on the February agenda.

- Other Matters
 - Linda brought up a concern about maintenance of the fields next to Village School which will be looked into and discussed at the next committee meeting.

- Date and Time of next Committee Meeting: March 31, at 5:00 pm
