

HOLMDEL TOWNSHIP PUBLIC SCHOOLS

Buildings, Grounds & Safety Committee Agenda/Notes Board Conference Room/Remote Thursday, April 28, 2022 at 5:00 P.M.

Attendees: Eileen Briamonte, Joe Hammer, Elizabeth Urbanski, Michael Petrizzo, Ken Stromsland, Jessica DeWysockie

1. Holmdel 2020 (Referendum) Update

The committee discussed the following projects to be completed during the summer:

- 1) Indian Hill Playground and Basketball Court/Paving
- 2) HHS/Satz Flooring
- 3) HHS/Satz Parking Lot Paving

2. Multipurpose Turf Field Project Update

- District has moved forward with the materials for the turf field.
- Timeline: break ground in May with estimated completion by August.
- Awaiting additional information on the drainage for the field.

3. District Grounds Update

- Fields at Village School - Fields were aerated and the grass is growing nicely. Grounds team will keep an eye and make sure that it is well maintained.
- Bowne-Crawford House -Mike S., Elizabeth U., and Joe H. toured the site with Ken and Mike P. on 4/28. Recommend that the entire board and key administration visit the site and come up with ideas for its use and improvements.

4. District Facilities Update

- Holmdel High School Auditorium Sound System - The sound system was tested by an audio engineer and gaps in the sound quality were identified. An additional speaker was added and the sound quality was improved. It was tested with a Digital Signal Processor to validate the improvement.

5. Lead Testing Update

Testing of the district drinking water is now required to be completed every 3 years. Testing was completed last week and lab results will be in next week. Any discrepancies will be resolved immediately per DOE standard regulations.

6. Date and Time of next Committee Meeting: May 19 at 5 pm
