

The Holmdel High School PTSO participates in Schoolpop, a great fundraising program that helps schools earn generous cash rebates when supporters shop online. Go to the web site to see a current listing of all participating merchants in the Schoolpop program.

As a Schoolpop.com shopper, you can contribute to Holmdel High School's PTSO fundraising efforts, **and it won't cost you anything to participate.**

It's simple to use:

1. Go to www.schoolpop.com
2. Select Holmdel High School PTSO as the group you wish to support and fill in the brief registration (School ID #0235576).
3. Now, whenever you wish to shop, visit Schoolpop.com and click on the merchant of your choice to start shopping. You will enter the merchant's website and all sales, etc. will be available to you, just as if you had gone to the website directly.
4. And if you download the shopping buddy, you don't even have to go to schoolpop! All purchases made with a schoolpop merchant will automatically accrue a rebate for Holmdel High!

Again, there is no cost for you to participate! There is no enrollment fee and no membership dues. Yet, the great part is that the Holmdel High School PTSO will automatically get a percentage of every purchase you make in the form of a cash rebate! We hope to use our Schoolpop.com earnings to buy some of the things our school needs but the budget does not cover such as computers, art supplies and lots more.

The best part of this program is that you don't have to buy anything extra or pay any higher prices than you normally would. When you shop at Schoolpop.com, you'll find the same merchandise and prices that you would if you went directly to the merchant's website or store. Just by purchasing things that you normally would such as clothing, CD's, books, computers, and many other items, you will be supporting our school. Please help our school and use Schoolpop.com whenever you shop. Thank you for your continued support.
