***** No Refunds or Switching of Course Offerings *****

Dear Community Residents,

The Holmdel Township Board of Education is pleased to present the 2010 Summer Academic Enrichment Program. The program is self sustaining, funded entirely by its tuition. The program is in its sixth year and we have many new exciting courses to offer as well as many of the same successful courses that have previously been offered. The administrative staff of our township schools designed the program, which will be staffed by trained educators, many of whom work in the Holmdel School District.

New courses to look for this year include Beginner's Band Camp, CSI Camp, Math and Verbal SAT Prep Courses, Gourmet Cooking, Study Skills for Middle School Students, and Writing an Effective College Application Essay.

We are very excited to provide our students throughout the community with a variety of opportunities to expand their academic, artistic, cultural, and athletic horizons. We have had many successful summers and look forward to providing an enriching summer experience in 2010.

Barbara Duncan
Superintendent of Schools

Harry Dangler
Program Director

Dates of Operation

This program will operate from June 28, 2010 through August 6, 2010. We feature one-week and two-week courses. Our operating hours are from 8:30 a.m. to 11:30 a.m. Monday-Thursday with no classes held on Fridays.

One week camps total 12 hours of instruction.
Two week camps total 24 hours of instruction

The only exception to this format is the Beginner's Band Camp which involves one-on-one lessons Monday-Wednesday and group instruction on Thursdays.
