Dear Village School Families,

On Tuesday, June 6th Village School is celebrating literacy at our second Barnes & Noble Young Author's Night! Each child who participates will have the opportunity to show the progress and success they have made in their writing during the school year. Students will be able to read a piece of their own writing to be shared with the group in attendance. The children can share a whole story, poem, etc. from any genre, or they can choose a portion of one of their writing pieces. Each reading should be no longer than 3 minutes, so there is ample opportunity for everyone to share. This is a great way for all of us to celebrate our students' writing!

- If the writing piece your child wishes to select is something that has already come home during the course of the year, please send a copy of the piece with the signed permission slip.
- If your child chooses to select something they are currently working on in class, please indicate on the permission slip which piece they have in mind.
- If your child chooses to select something they are working on at home, please send a copy of the piece with the signed permission slip.

Your child's teacher and/or our reading specialist will then be checking in with students about their potential, selected writing piece.

This event is also a wonderful fundraising opportunity for our school, and a great time to get a head start picking up any summer reading books while you are there. Barnes & Noble will contribute a percentage of the sales, from both the store and café, to our school. All you have to do is mention to your cashier that you are from Village School.

Please sign and return the permission slip below, and send a copy of your child's writing piece (if applicable), by Friday, May 19th if you would like your child to participate. We hope to see you at this wonderful event for the children. Remember that today's young writers are tomorrow's best-selling authors!
